

1/2 Cubeq house

may you see the idea is so sample but samplacity make the things more beautifull.... the apartment area 39 m2 and we have very big number of uses inside this small area so we need something has to be so flexible and headable , interactive with the zone u

2/2

Cubeq house

may you see the idea is so simple but simplicity make the things more beautiful.... the apartment area 39 m2 and we have very big number of uses inside this small area so we need something has to be so flexible and headable , interactive with the zone u
