

1/2 Animal Guides (The Tattoo)

The design I submit is very straightforward: It is a tattoo. There are many animals hidden in the design. How many can you find? It took me a long time to draw-- included is the final digital rendering plus a few photos of me wearing the tattoo (I still h

Solution

The significance of the tattoo is the level of animals that are hidden in it, what those animals mean to me, and how they do or do not jump out at you when you see them. I wanted it to wrap around me. It is the first tattoo I've ever had, and I will only have this one (but it will be a bit bigger, as you can tell from the digital drawing).
