

1/2 The Package

"The Package is a Multimedia platform that show the mix of my comercial and personal art work, a kind of interactive portafolio about some of my lastest graphic creations, a way to show my own visual language by using digital resources."

Solution

La Encomienda (the Package)

◆The Package◆ is an interactive visual work that I did it in early 2010, his function is to show a number of draws , animations and collages that are hidden in a little mail box.

The content of this box is divided by six kinds of graphic works that I made in diferents seasons:

1. Vectorial draws (Imaginary characters)
2. Sketches notebook (masks and costumes designs in horses and riders)
3. Left-handed draws
4. Hidden graphic contents in the boxes
5. TV collage (recycling Internet crap)
6. Interactive Musicians (animated
