STORY

Tim was a regular person, trying to order some food, but it all went terribly wrong!

A powerful blast caused by the frozen food in the microwave oven almost killed him.

His luck suddenly changed when a cook who came from nowhere rescued him and fed him SUPER-FOOD. The blast made him RADIOACTIVE so the super food...made him super.

Spicy Bullet became a super-hero but there are also super-villains. His arch enemy is Mouthless Man, the guy with the tube in his belly-button. He was born without a mouth so that's the only way he can feed. He was marginalised all his life so now he craves revenge on the society that cast him out. Spicy
