

## 1/2 The Liferheld Heroes

Wills: Hey, Mimey, we have to do it!! Do you understand? Mimey: (some mime mimics + a sinister smile). Wills: Mimey.... where the good guys.....I think if we do that we'd go to jail.....

...and his SIDEKICK

### Solution

Wills and Mimey are 2 very chilled-out, funny characters..... They work for Liferheld's company delivering food with their car- the Lunchbox to all the hungry people out there.

Yes, they do good deeds!!

But, as you know, there aren't stories without bad guys!

Here are ours: Tabacco - the ever smoking machine, and his partner Puddles - carring around his EVIL squirrel pet. Their allways hungry and ready for some food-snatching! However Wills and Mimey manage to ..... well you'll see ;) The inportant thing is that our heroes have to take care of these pepople and their HUNGER in time!

How exactly do they do that?
