

1/2 **YOU ARE CONNECTED**

The logo and text illustrates the global connection and responsibility to sustain that which keeps us alive.

**Solution**

The lines going around the globe link everyone to this rain forest. The statement is intended to be blunt about the fact that You should act now to save Yourself, future generations will thank you. Someone can refine the graphics and the text with links to educate the reader on the issue. This is the lead icon message only.
