

1/2 The yugos

The Yugos... The front cover can be turned around and you can still read the yugos... so you can choose which one is the album title and which one's the band name ;)

Solution

also the background is an abstract artwork...

abstract art can be seen serious or just as a randomized piece of art...

so it has the conflict between seriousness and flippancy... seriousness but fun....

2/2

The yugos

The Yugos... The front cover can be turned around and you can still read the yugos... so you can choose which one is the album title and which one's the band name ;)
