

1/2 Weather Forecast

showcasing reach media through weather forecast.

WeatherForecast

Protecting your data in the most complicating and testing conditions of cloud computing.

security/rich media/cloud readiness

ISR G2
Integrated Services Router

The ISR G2 (Integrated Services Router - Second Generation) is one of Cisco's leading router products. End users for the ISR G2 get ready for security, video/rich media, cloud readiness.

Solution

The idea is to show that whatever the weather may be outside the forecast for your workstation will always be sunny. Also it shows a screen that stands for rich media. It is an effort to cover all the three values of ISR G2.

Security / Rich Media / Cloud Readiness
