

## 1/2 Heros in motion

Each and every super hero has to escape life threatening situations. Believe it or not Penny can help them!

### Solution

alle verwendeten Bilder dienen nur der Illustration meiner Idee innerhalb Jovotos.

I propose a series of super hero spots. We show the super heros in different situation. Penny is always the solution...

Part one: Batman vs. Penguin --> Video online  
Batman is captured and the penguin is going to kill him. Batmans last word are: "First to Penny". There I can get the right tools to defeat the penguin and his poultry army...

Part two: Superman vs. Kryptonite --> I hope I have the time  
Part three: Luke Skywalker & Darth Vader ...  
Part four: Hancock and his hangover...  
....

The PENNY Plot.
