Room 2022 "Individual design" Customizable Comfort

### Solution

Room 2022 adapts to specific & predetermined client preferences. This concept focuses on having an enjoyable nights sleep as well a memorable & comforting visit.

We are working from a realistic POV in that we are taking a basic room and making it great. We do not deceive ourselves that in 10 years cars will fly and people will walk in glowing clothes :) We feel that people want the ultimate in comfort for a minimal price. Therefore, we are presenting a budget room that transforms into the room of your dreams with the help of our design.

To begin, the customer completes a brief questionnaire online while booking, in the room or at the reception desk while checking in. It's a quick fun procedure.

Marriott guest services will analyze the customer input via a touchscreen panel system and will
