Green balcony..

Solution

Concept:

To bring real nature in to the room. Technology should be used to remind guests to care about themselves, stimulate them to exercise, be relaxed and feel good. This room should make the guests forget about job, problems.. People always enjoy being surrounded with greenery, so balcony should be piece of nature integrated into the room.

Bed/ sofa

could be hidden under platform. Two layers and massagers provide the flexibility and comfort.

Platform

Everytime someone walks over the platform, renewable energy is harvested from the footstep. The technology converts the kinetic energy to electricity which can be stored and used for a variety of applications.

Media

Guest have opportunity to chose one of relax programs, music or internet access. All should be
