purse

### Solution

Everything you need is in this purse.

- update 5: video upload and sheath.
- update 4: purse meets clutch. survive in the urban life. vectors.
- update 3b: classy purses - vectors only
- update 3: classy purses, 2012 colors, kept the position and size of the logo
- update 2: casual/mountain purses, kept the position and size of the logo
- update 1: classy purses, played with the poistion of the logo
- first entries: played with everything I could, used photos made by others. In the meanwhile, I've sewed in Inkscape and painted in Photoshop my own purses and vectors.

As long as the briefing states that the position and size of the logo can't be changed, only purses from
