

1/2 »Sit down and enjoy« Die Coke-Kiste der Zukunft: so individuell wie du!

Seat box with stowage and attractive design a Must-have in every designer flat!

Solution

This box is a real eye-catcher: a stool with storage space and an attractive design made of sturdy thermoplastic material (100% recyclable, shatterproof material). Timelessly stylish printable or plain: on the outside and inside any way you like! Especially space-saving, effective use and a must-have in every home designers! The box is fully integrated into your living space! Do you get time visit, then everyone has their own bar to sit on :-)

This sometimes green, red next week - no problem with the new Coke Stool your home is always in fashion. Boxes are also available separately if you like your current seat very well :-)

The box is available in 3 sizes: 4 bottles (size S) - 6 bottles (size M) and 9 bottles (size L). The box can be stacked without problems, because on the side of a drawer in which the bottles vertically in the stand mount (similar to a dishwasher;-). Convenient carrying handle with rubber coating on the
