

## 1/2 Cloth as Second Skin

Cloth as Second Skin

### Solution

The idea of the video is help to create a conscience about clothing, and a sort of invitation so that people create their own videos and share their ideas into the Global Skin competition.

In the video, clothing is explored as a second skin and it serves as a platform to alert people of its importance and, most of all, the importance of the textile industry.

Make The Global Skin Visible!
