

1/7 **Compact & Comfortable**

Solution

A unique outdoor event means combining the excitement of cooking with the pleasure of dining. The idea is to create a comfortable design that is easy to use, store and transport and that also offers flexibility and quality.

The main material used is recycled plastic that is easy to assemble and use. Depending on the event, the user can choose how many table units he needs.

Status: 18.06.2018

2/7

Compact & Comfortable

What's the benefit for the target group?

The solution responds to three different scenarios: a big event in your home backyard, a medium event like a camping trip or a small family picnic

3/7

Compact & Comfortable
