

# 1/2 Tablet. Agency.

Tablet. Agency... its not just a place, its an event.

a•gen•cy |'ājənsē |

*noun*

- 1 *a business or organization established to provide a particular service, typically one that involves organizing transactions between two other parties*
- 2 *action or intervention, esp. such as to produce a particular effect*
  - *a thing or person that acts to produce a particular result*

## Solution

With an established reputation for ease of use, impeccable taste, and enduring style, the website trusted by millions to provide pre-screened selections of hotels is now redefining what we know about hospitality. Making connections through experience and event, Agency. is the link between the City and those who travel and those who are local.
