

1/6 **Kite**

Kite is a nomad seat designed for children and adults. This seat allows to improvise user-friendly s

**Solution**

Concretely, Kite is a ground sheet that turns into a comfortable kite-inspired floor chair in a single movement. «Kite» allows 3 positions: the first to sit on, the second to lie on and the last to be carried and to be stored. The transition from one to another is done in one easy and automatic movement.
