

1/7 **BYE BYE WIND**

The main idea is the developing of a set of table and chairs that fights the action of wind.

### Solution

The work presents the developing of two concept that have the same form but with different function:

- BYE BYE WIND
- BLITZBLANK

The first concept idea is BYE BYE WIND that solves one of the main problem during a dining: the action of wind. This set of table and chairs permits to use also paper or plastic plates/glasses without that they fly in presence of wind through simple grooves in the table that block paper or plastic plates/glasses when they are empty.

In the centre of table there is a hidden crushing bottles.

While the chairs in the back have a container that works to accommodate objects of various typology ( from cellular to tools).

### MORPHOLOGIES

The set is composed by a table, four
