**Solution**

Slow food, macrobiotic food, molecular cuisine: Our society today knows more and more types of food preparation and design. No longer is the WHAT, HOW but also the actual food intake essential for the enjoyment. Whether Dinner Theater, medieval food or eating in total darkness, unconventional meals enjoyed in the not-everyday environment, increasing the development of the mobile kitchen popularity. MobiK is the new feeling of pleasure.

MobiK is particularly suitable for nomadic cooking events, or for a leisurely meal outdoors. The concept on the one hand convey a certain degree of sophistication, but still practical and easy to use, without the charm of his camping furniture convey.
