Solution

The VIARO BBQ Outdoor-Kitchen is designed for BBQ as a vivid and involving shared experience.

The extendable modular concept in a characteristic V-shape offers various possible arrangements.

Broad wooden counter-tops give sufficient space for sociable food preparations. Additional mobile containers provide storage space and counter-top extensions.

The sheet metal construction is based on feasibility and all materials are recyclable.

The gas bottle supplies three burners and one side burner and is stored beneath the grill.

Several add on facilities are
