

1/7 T Light

Table-light can create special light effects and romantic shadows. It has storage space integrated

Solution

T light is simple and functional outdoor lamp-table that can create a sophisticate and elegant look in your garden, patio or on balcony.

MATERIAL

It is made of metal base and wooden top (or entire from molded fiberglass) illuminated from within and that ensures both durability and resilience. The organic form of its perforated body allows the light and shadows to create intriguing patterns.

FUNCTION

1. Light (warm, cool)
 2. It has hole-storage on the top that can be used for food, dinnerware set, ice ..
- One bowl for fruit, and one for ice basin fit in hole.
Hole cover can be rotated like extension of table.

T light can be connected to fold-able solar panels so the internal battery can be automatically recharged by the sun.
