

1/2 **Ocean Bliss**

Refreshing, modern take on the muse of the ocean. The Mermaid.

VICTORINOX

Solution

The coloring and details of these illustrations are what is going to make the customers reach for this design. It has everything that a stylish product package needs. I have been pondering this for so long, that is why I am uploading it on the last day. You will find no stock in this piece, it is made exclusively for this competition. I haven't been here in awhile so I wanted to give it my all now that I have returned. One solution only but with weeks of work behind it. Hope you enjoy it.
