

1/2 **lockable table**

Table that gives you freedom!

carrying

Design provides the following benefits:

1. Go away for days, leaving stuff and valuables - just close the cover.
2. Quickly remove the legs and move the table with the things inside to the other room, floor, building.
3. Opened cover forms a soundproof and personal space
4. No mess with cables - there is hidden built-in three outlets, space for wires, adapters and a LED lamp. To the outlet in the room table connected with one wire.
