

1/2 The yourfone.de Display Clear

A display cleaner for your smart phone or tablet. Three different colours with nice doodles on it!

Solution

There is no better cleansing and care cloth for sensitive optical equipment: The "yourfone.de Display Clear" is made from a high-tech microfiber which is free of chemicals and lint, and cleans gently but thoroughly.

- everybody use this utensil
- cheap production
- three different colours to choose from
- or a pack of 3
- yourfone.de brand elements on it
