

1/2 Mangrove Digital of Palawan

This is an edited picture taken by a normal cellphone Nokia X3. The picture was taken in the open.

Solution

Experimental Picture taken by Nokia X3 in the shoreline of Palawan testing the camera capacity to produce quality picture. It was edited internally by the same device after the picture was taken in the open. Color selection, mode and zoom was done.

Third picture was an edited full picture of myself and my son nikko. Taken and edited using same process.
