Solution

FINAL UPDATE:

- new water tank position
- individual mugs and stands
- user guidance-concept
- less glass on the top to reduce production-costs

small update 4

- individual stand in steel, wood or concrete
- body tapers slightly to the bottom to make it slimmer

small update 3

- concept for easy two in one discharging of coffeground and silver chaff
- concept for airfilter-replacement

small update 2

- redesign of main volume. To make it look lighter and delicate it is carried by a

gracile metall frame.

Mug made from glass. Has "doubled walls with air inside" for isolation
