

1/2 **Flame**

Old design is rather high, made a new proposal to make it lower.

Solution

Bonaverde App:

Machine can be reached via IP-address (just like the security cameras you can view and control from distance with your smart phone). It has a monitoring function: Water level and beans level are monitored and you can start up the heating chamber with this app on your smartphone.

Cost indication:

Plastic Parts : Injection moulding

Housing_Left: 475 x 220 x 325 mm
8,-

Housing_Right: 480 x 235 x 325 mm
9,-

Housing_Mid: 450 x 130 x 300 mm

15,-
