**Solution**

This idea has 2 solutions that can be also combined:

1. modular urban furniture or installations (EX: <http://www.enzis.at/1/galerie2/>)
2. urban equipment following an analysis of urban needs (can include sport, gardening, expo, playgrounds ... etc)

The idea is to adapt the unused spaces situated under the bridges of Berlin to the needs of each neighborhood and to add value to communities.

Some ideas of use:

- urban gardening
- playgrounds
- sport dedicated spaces ... basketball, skateboard, ping-pong ... etc
- open air events ... music, theater, movies, art galleries, markets ... etc
