

1/5 **Animals**

A little gathering of animals -including typical swiss ones...

2/5 **Animals**

A little gathering of animals -including typical swiss ones...

What does your design show?

On the left, from top to bottom: an owl, a cow and a rosalia longicorn ( a typical swiss bug). On the right: an owl, a fish, a fox, a mandrill and a firebug.

3/5 **Animals**

A little gathering of animals -including typical swiss ones...

What is the unique idea about your design?

A stylish sample of biodiversity

4/5 **Animals**

A little gathering of animals -including typical swiss ones...

Is there a special story behind your design?

No, not really. First, I just wanted to make a geometric pattern but then some shapes reminded me of animal faces, so I thought that my design could as well be some sort of totem...
