

1/5 **akimbo**

Solution  
Have you ever wonder?

Status: 17.06.2018

2/5 **akimbo**

What does your design show?

a play on victorinox logo into something that most of us could easily relate to.

3/5 **akimbo**

What is the unique idea about your design?

The logo is happily resemble a well known character and the color scheme are those used for Swiss Guards uniform. It will likely be disputable, but it is fun and appealing because it is what it is.

4/5 **akimbo**

Is there a special story behind your design?

It started as a play on victorinox logo and it end up being something almost everyone can relate to. The hand on hips pose, the akimbo, is meant to show and spark confidence from within ourself. So if this make it to victorinox collection, hopefully it will not only bring up a smile, but people could look at it whenever they need a confidence boost.
