

1/5 **Alien comic.**

Working with one half of the guy reading the comic for each sides of the knife.

Solution

I relate the knife with camps and recurring stories about UFOs.

2/5 **Alien comic.**

Working with one half of the guy reading the comic for each sides of the knife.

What does your design show?

A guy reading a comic about aliens and behind this two scenes of the comic story: A start, with the desert and the UFO, and the end, with the Aliens invasion..

3/5 **Alien comic.**

Working with one half of the guy reading the comic for each sides of the knife.

What is the unique idea about your design?

Relate both sides of the knife with a hook, for this case, the hook is the comic story.

4/5

Alien comic.

Working with one half of the guy reading the comic for each sides of the knife.

Is there a special story behind your design?

I relate the knife with camps and recurring stories about UFOs.

5/5

Alien comic.

Working with one half of the guy reading the comic for each sides of the knife.
