

1/5 **White Rabbit**

A White Rabbit with foldout ears and removable teeth.

Solution

A white rabbit face on the one side, his back on the other side. The design uses parts of the knife. So you can foldout his ears and remove his teeth and tail.

2/5

White Rabbit

A White Rabbit with foldout ears and removable teeth.

What does your design show?

The face and the back of a white rabbit. The Victorinox Logo is a carrot he stares at.

3/5

White Rabbit

A White Rabbit with foldout ears and removable teeth.

What is the unique idea about your design?

The design uses parts of the knife. So you can foldout his ears and remove his teeth and tail.

4/5

White Rabbit

A White Rabbit with foldout ears and removable teeth.

Is there a special story behind your design?

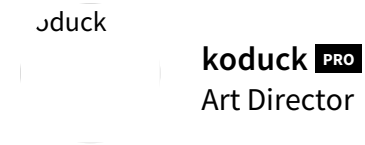

No. It's just the shape and some elements of the knife taht inspired me.

5/5

White Rabbit

A White Rabbit with foldout ears and removable teeth.
