

1/2 **OMNIA LAB**

Available domain name: [omnialab.de](http://omnialab.de)

**Solution**

Omnia stands for "always" in latin and aims to emphasize the notion that the lab will always have innovative ideas or to create a fun slogan like "always ahead". Being easy to pronounce the logo is simple and can easily be portrayed and combined into a reference as in the "O" in a transportation circle around a point.
