Solution

This time the design is shown in a more delicate way without the mixing of styles. The idea of artificial remains in the mix of techniques and summer light colors!!

Why does your design stand out?

Because it can achieve many targets even with the background lines or without them. Because it reunites many techniques and all of them were done with the most delicate love and joy!!

Because it has fresh imagery and a gorgeous color palette. Because you can fall in love on each 5cms of fabric!!
