This is a place for inspiration and colabration with other people

Solution

I see this community as a giant fount of inspiration and a great whay to meet and colabrate with other people, and that is what my desing tries to show

Why do you participate in jovoto's crowdstorms?

Cause for me it ´s realy interesting to see how other people work and to have a little taste of what does the real work enviroment looks like

How can we improve so that our crowdstorms serve you better?

I think for the moment it works fine for me

This is a place for inspiration and colabration with other people

Why should organizations and brands crowdstorm with jovotans?

Cause they could get to see the work of really good people that otherwise they good never be able to know
