

1/4 **Flower Hugs**

A hug delights and warms and charms, That must be why God gave us FLOWERS!

Solution

Vectorized flowers arranged in a bold pattern making a wrap around, like a hug.

Why does your design stand out?

The color-tones and the graphics are fresh and attractive. The big flowers are bold but the overall pattern is transparent, delicate and stylish with depth and focus variations and lots of whitespace which makes it easy and comfortable for the eye. The patterns are real repeating and not mirrored or with a kaleidoscope effect. Every angle gives a beautiful spontaneous layout on the dresses.
