

1/6 **MASTERPIECE**

Solution
The Switzerland's Masterpiece.

2/6

MASTERPIECE

What is the story behind your design?

Switzerland has emblematic icons that characterize and distinguish its culture around the world, but one of the most significant is precisely the Victorinox Swiss Army knife, which is "The Switzerland's Masterpiece" in words of many people because of its engineering and tradition. That was my inspiration, my design talks about a masterpiece of art situated in a museum or in a Gallery which is the most visited by people.

MASTERPIECE

Is there a connection between your design and the Victorinox brand?

Of course, Everyone loves Victorinox's knives and the theme of Art.

4/6

MASTERPIECE

Please make sure you have filled out your country of origin in your profile! It's important that the regional Victorinox team understands the cultural background of your design.

Mexico

MASTERPIECE

Have you used any third-party material? Even if you've modified or combined it, please know that in this project no stock is accepted. See "mandatory requirements" (in the Brief) for details.

All design is mine, hand drawn work made in Ai.
