Solution

It's a Swiss cottage design (my own interpretation of course). The front is Autumnal Swiss cottage and the back is Summer Swiss cottage :)

What is the story behind your design?

Switzerland is truly gorgeous in every single way, but what I think of first when I think of Switzerland (beside The Sound of music :) ) are those mountain cottages. I love them! So I decided to design my version of Swiss cottage and different one for each season-Autumn and Summer in this case.
