

1/6 **Once upon a forest**

A magical forest filled with fun and adventures.

Solution

A magical forest where animals can talk and dance.

2/6

Once upon a forest

A magical forest filled with fun and adventures.

What is the story behind your design?

As a child who grew up in post soviet era, I have memories of old russian cartoons and storybooks. There were many stories in the forest with bunnies and hedgehogs. Though I can't remember the stories exactly, the feeling stayed with me. It was so fun, magical and full of adventures. I tried to depict that notion in my design :)

3/6 **Once upon a forest**

A magical forest filled with fun and adventures.

Is there a connection between your design and the Victorinox brand?

Travel and adventure

4/6

Once upon a forest

A magical forest filled with fun and adventures.

Please make sure you have filled out your country of origin in your profile! It's important that the regional Victorinox team understands the cultural background of your design.

I'm from Mongolia.

5/6

Once upon a forest

A magical forest filled with fun and adventures.

Have you used any third-party material? Even if you've modified or combined it, please know that in this project no stock is accepted. See "mandatory requirements" (in the Brief) for details.

No.
