Opportunity or risk?

2/5

STAY or FLY

Please provide us with some background information on your visualization.

I want to show how the main points (for me) of crowdworking tears me in my thoughts about it. There are so heavy risks but as well so many opportunities. Alike i want to include in my vizualization the feelings i have working on a project on Jovoto... sometimes i'm devastated and in an other moment i'm so happy i could fly...

Opportunity or risk?
