

1/3 **INVADER - Wolf in sheep's clothing**

TTIP is a threat, a DANGER for a democratic society! We have to stop this!!

Solution

TTIP is a disguised/dressed up INVADER- a wolf in sheep's clothing! We can't tolerate this manipulation and disinformation from commissions & business lobbies. Secret negotiations which could influence our every daily life is a threat - and thats why we have to get up & stand up for our rights and inform as much people about the hidden facts we already know concerning TTIP. First at all we need a eyecatcher (poster&banner campaign) & guerilla information booths with some specials ;) comes soon..
