

1/5 **Getting out there**

This is a short reel I made, to display some of the private work I've done.

Solution

I've been animating since august 2015, this is a reel I made consisting of some of the small things I've done for myself, together with some real work projects.

Explain how and why you created this work. Was it for a specific brief, etc.?

This was created in After Effects, Illustrator and Photoshop.

Getting out there

This is a short reel I made, to display some of the private work I've done.

What were you trying to express?

I tried to show a variety of styles

4/5

Getting out there

This is a short reel I made, to display some of the private work I've done.

Is it 100% your original work?

Yes except from the stopmotion scenes were I did the Post production/animation.

5/5

Getting out there
