Solution

Bird, birdie Folklore, mythology, poetry, fantasy, film and minds
 What? For whom? Why? Bird of happiness, freedom of speech or revival? i gonna invent a new species of birds, which is better, which brings peace, articulation, through the world to your home and to your wardrobe, and you can be Mis / Mister beauty queen of World. The bird will sing songs, that you teach you to sing. Each of feathers tells fairy tales, endlessly teach to love, enjoy and understand. He is your man, woman and child. Wings and flies away to heaven, to the dungeons. Understand why? and to whom? and how?
