

1/9 **Swan's Lake**

Swans on the river

Solution

Swans floating on the river

2/9

## Swan's Lake

Swans on the river

Which animal(s) did you choose as a visual and why?

I choice swan. In the European mythology, the swan symbolizes maturity and completeness, and in the art is often used as an allegory for cleanliness. Swans are endangered species of birds. All kinds of swans living in Serbia are strictly protected animal species.
