THE JOB-CONCIERGE
How it works

GET YOUR POINTS!

CHOOSE YOUR SERVICE
The company-staff decides about the services they think are beneficial to them (e.g. many young parents among the workforce might find a babysitter-service attractive).

STAY IN TOUCH
Via the shared App the JOB-CONCIERGE stays in Contact with the talent and keeps him updated.

Solution

While you enjoy your little creative dance with the latest assignment the Job-Concierge builds a comfy Cocoon around you to protect you from those little nasty monsters called Live-Obligations tryin to munch away on your energy.

The Job-Concierge fills your Fridge with your favorite Pizza when you work leaves you no time to shop. He makes sure that someone cleans your home before your in-laws come to visit while you are busy cleaning up the mess on your desk.

The Job-Concierge is the Troubleshooter in your Life that leaves you with enough ammunition to get the job done.
