What is the mystical story behind your design?

Polar BEAR! Polar bears are greatly respected for their strength, courage, and spiritual power, and Inuit angakkuit (shamans) frequently call upon the spirit of the polar bear. Like other spiritually powerful animals, polar bears frequently shape-shift into human form and back in Inuit mythology, putting on a white bear coat to take on their ursine form. <http://www.native-languages.org/polar-bear.htm> <http://polarbearalley.com/>

Did you use images, graphics, fonts etc – not originally created by you? Did you get very closely inspired from a source? That's fine as long as you share that source-links.
