WITHWORK is the platform that allows us to conquer our future.

Solution

Increasingly, young people are entrepreneurs and seek to escape the routine, break with patterns and seek satisfaction and encouragement in the simple actions of their daily lives. This inversion of values favoured the search for a new ideology of work: Free, independent, motivating, challenging and without schedules or locations. WITHWORK is the platform that allows us to conquer our future. As? Through a "digital community" with different levels and functionalities, each user can create their own profile and adjust it through their aspirations and experiences. WITHWORK PLATFORM: PROFILE: This is the "arrival" and recognition area where the creative should define his avatar and analyse his profile. Become aware of his skills and set his goals and projects. NCUBATOR: Area where every idea comes to life. The idea is submitted for a first evaluation and once this happens it will be protected by a new concept of patent that guarantees its
