What is the mystical story behind your design?

The Eskimos believe that all things have a spirit or soul as humans. Once upon a time, back in the early times among the blizzards and severe frosts was born the Spirit of Ice. He show to world 2 side: he could be good, and could be evil. But in fact, it only reflects what was in people's souls. For good people, he gave joy. For bad people - the fear and pain of loss ... The choice is always with you ... Ice Spirit only reflects your soul ...
