The Zorja watch over the doomsday, should they ever fail it will be the last one, so enjoy every day

**Solution**

I find the folklore of Zorja a amazing one, because it is fierce yet beautiful and tells us to be thankful and to appreciate the fine things.

What is the mystical story behind your design?

In Slavic mythology, the Zorja are the two guardian goddesses, known as the Auroras. They guard and watch over the winged doomsday hound, Simargl. If the chain ever breaks, the hound will devour the constellation and the universe will end.

Did you use images, graphics, fonts etc – not originally created by you? Did you get very closely inspired from a source? That's fine as long as you share that source-links.

No every idea and graphic comes from my hands/pen.
