

1/2 **Aqua Libre**

Solution

1,2,3...KO

This special edition is based on the mexican wrestling, the lucha libre. I made four different versions but there is space for many more.

What else can I say...LET`S GET READY TO RUMBLE...and get your special aqua libre water bag.

And in case you order the whole collection, Vapur will give you an original mask for free, wouldn´t that be great...
